Dear Sir,

re Patent Application
Sn. 09/170,234.
Filed 10/13/1999
Title ROT PROTECTOR.
Allowed 03/07/2000 Class 052-302.300 BATCH NUMBER 019.

On this file I sent in my Issue Fee payment, on May 1 2000, along with the Notice of Allowance paper.

On checking I note that you also required new drawings.

The original artist had unfortunately died, and was unable to assist me.
I have therefore located a new artist. He has redrawn the drawings based on the originals done by the earlier artist.

I enclose the new drawings.
I hope that this now completes all matters on this file. If there is anything I have not attended to please call or fax.

Phone 1 905 786 2467 Fax 1 905 786 2903.

Yours respectfully,

John G. Shaw.
